

BIG 5 Construct Saudi

30 August - 2 September 2026
Riyadh Front Exhibition & Conference Center

Your Guide to Big 5 Construct Saudi 2026

Under the patronage of

وزارة الصناعة
والثروة المعدنية
Ministry of Industry and Mineral Resources

Organized by

dmg events

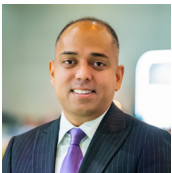

big5constructsaudi.com

Welcome to **Big 5 Construct Saudi**

Across four days, the event brings together the products, suppliers, industry experts and practical insights you need to support your projects, strengthen your network and make informed decisions.

This year, 1,000+ companies from 50+ countries and 10 international pavilions are exhibiting alongside 40+ speakers across four days of content. With 35,000+ professional visitors expected, the connections you make here matter.

We hope this guide helps you make the most of your visit.

Muhammed Kazi
Senior Vice President

>> What's inside this guide:

Co-located events

Explore solutions across every stage of the construction cycle

Find your journey

What to prioritize based on your role

Big 5 Talks

See what's on the agenda, who's speaking and which sessions to prioritize

Big 5 Impact Trail

Follow the trail to find exhibitors showcasing sustainable solutions

Big 5 Construct Saudi App

Build your schedule, explore the floor plan and find key exhibitors

From foundation to future, built for every scale

Dedicated to heavy equipment, plant machinery and vehicles supporting large-scale construction and industrial projects.

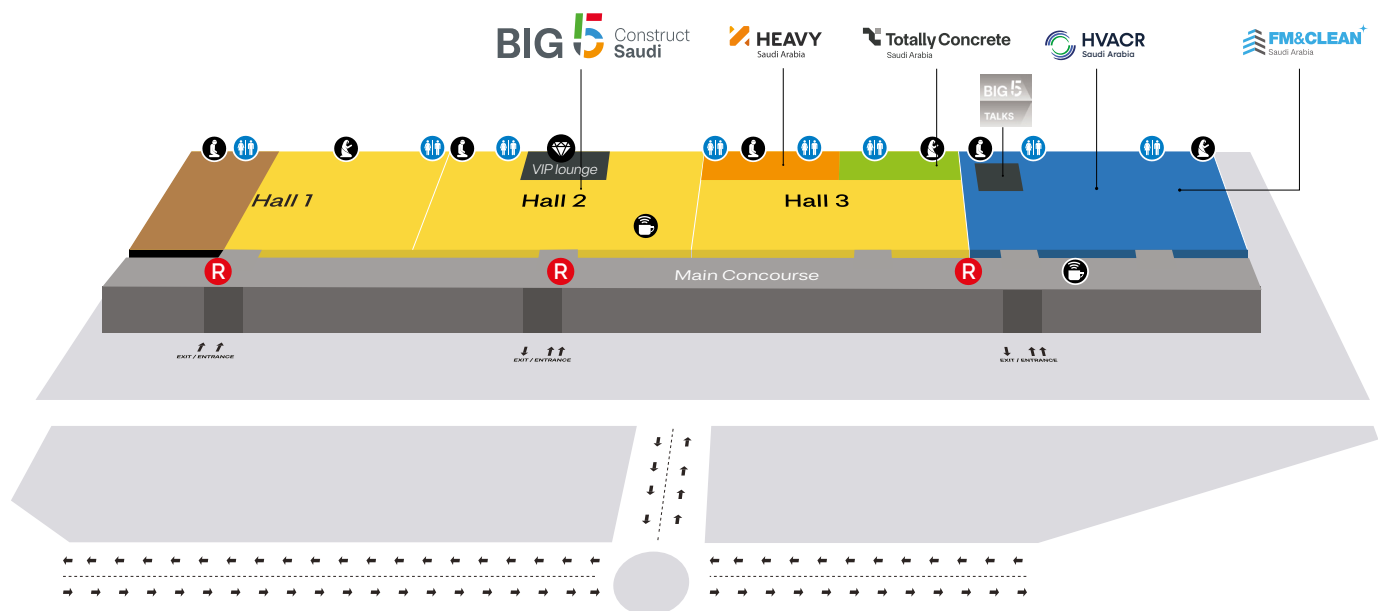

Focused on concrete, cement, precast and construction chemicals across structural and civil infrastructure.

Covering HVAC, refrigeration and climate control solutions for commercial, industrial and mixed-use developments.

Showcasing facilities management, cleaning, hygiene and operational efficiency solutions for the build environment.

Product Sectors:

- Construction tools and PPE
- Concrete and cement
- Digital construction
- Facility management
- Heating, ventilation, air conditioning and refrigeration (HVACR)
- Heavy construction, plant machinery & vehicles
- Smart building

- Mechanical, electrical and plumbing
- Offsite and modular construction
- Solar products, technology and services
- Special construction
- Wood and woodworking machinery
- Industrial and machinery equipment

Services:

- R** Registration
- W** WIFI Cafes
- T** Toilets
- M** Male Prayer Room
- F** Female Prayer Room

Special Features:

- BIG 5** Talks Theatre
- VIP** lounge

Saudi Arabia's biggest construction event has something for everyone

IF YOU ARE A:	YOUR FOCUS AREA	SESSIONS AND WORKSHOPS
Contractor	Core construction, concrete and site delivery: Explore materials, equipment and systems across Big 5 Construct Saudi, Totally Concrete Saudi Arabia and Heavy Saudi Arabia, from concrete and steel to PPE, MEP, machinery and special construction.	30 Aug - 7:40 PM - Site planning & coordination 31 Aug - 6:25 PM - Material planning efficiency 1 Sep - 7:55 PM - Material forecasting tools Workshop: 31 Aug - 7:35 PM: Navigating the Saudi Building Code Key requirements and compliance pathways
Agent, Distributor & Supplier	The full show: Compare supplier categories, product gaps and partnership opportunities across HVACR Saudi Arabia, Saudi FM & Clean, Heavy Saudi Arabia, Totally Concrete Saudi Arabia and the wider show floor.	30 Aug - 5:30 PM - Saudi market outlook 31 Aug - 7:35 PM - Quality culture and code compliance 1 Sep - 7:55 PM - Material forecasting tools
Engineer	Technical systems, materials and compliance: Compare MEP, HVACR, concrete, steel, offsite, smart building and digital construction products, with a focus on performance, standards and technical data.	31 Aug - 8:05 PM - Saudi Building Code Workshop 1 Sep - 5:15 PM - BIM for site delivery 2 Sep - 5:00 PM - Advanced mix designs
Consultant	Specification, compliance and performance: Focus on HVACR, MEP, smart building, solar, modular and sustainable products that support advisory work, technical recommendations and specification decisions.	31 Aug - 5:20 PM - Fire safety engineering 31 Aug - 5:55 PM - Sustainability requirements 2 Sep - 7:15 PM - HVAC design to FM Workshop: 31 Aug - 7:35 PM: Navigating the Saudi Building Code Key requirements and compliance pathways
Facility Manager	Operations, maintenance and building performance: Explore FM & Clean Saudi Arabia, HVACR Saudi Arabia, smart building, MEP, cleaning, maintenance and digital solutions that support efficient, safe and reliable building operations.	31 Aug - 5:40 PM - Sustainability during construction 1 Sep - 5:00 PM - Digital twins in practice 2 Sep - 7:10 PM - HVAC design, installation & FM integration
Project Manager	Delivery, coordination and handover: Prioritize tools, PPE, digital construction, MEP, HVACR, heavy equipment, FM and smart building systems that reduce friction across the project lifecycle.	30 Aug - 7:20 PM - Project controls excellence 31 Aug - 6:45 PM - Reducing project rework 1 Sep - 7:10 PM - AI on live projects Networking opportunity 30 Aug - 8:30 PM: CIOB Networking Hour
Property Developer & Owner	Asset performance and operational value: Explore HVACR Saudi Arabia, Saudi FM & Clean, smart building, solar, MEP, materials and modular construction through the lens of lifecycle cost, tenant comfort and long-term value.	30 Aug - 5:30 PM - Saudi market outlook 1 Sep - 5:30 PM - Connected jobsite technology 2 Sep - 7:45 PM - HVAC commissioning Networking opportunity 30 Aug - 8:30 PM: CIOB Networking Hour
Government & Programme Leader	Supplier capability and programme-scale delivery: Assess capacity, localization, compliance and delivery readiness across Heavy Saudi Arabia, Totally Concrete Saudi Arabia, MEP, HVACR, modular, digital, solar and core construction sectors.	30 Aug - 5:00 PM - Procurement & supply chain 31 Aug - 7:35 PM - Saudi Building Code Workshop 2 Sep - 6:00 PM - Modular project delivery Networking opportunity 30 Aug - 8:30 PM: CIOB Networking Hour

BIG 5

TALKS

30 August - 2 September 2026

Talks Theatre, Hall 4

Discover the latest insights driving Saudi Arabia's construction industry at Big 5 Talks. Across four days, industry experts will address the technical, regulatory and operational challenges driving construction delivery, covering essential topics including codes and standards, health and safety, project management, concrete, HVACR and emerging industry best practices.

Themes include:

- Codes, Standards and Regulations
- Health and Safety
- Sustainability
- Artificial Intelligence
- Technology
- Project Management
- Concrete
- Modular
- HVACR

Featured speakers:

Dr. Ali Saeed Alqarni
Associate Professor of
Structural Engineering
King Saud University (KSU)

Dr. Fahad Saud Allahaim
Assistant Professor at King Saud
University
**Chairman of the Technical
Committee of the Residential
Building Code at the SBCC**

Kevin Beaver FCIQB
Delivery Director – Expo
Riyadh 2030
Bechtel

Mahmoud Hasan
SCAVO Project Manager
SCAVO

Shonagh Kinnaird
Project Director
Misk City

Big 5 Impact Trail

Your guide to finding sustainable solutions across the event

The Big 5 Impact Trail helps you discover products and technologies that contribute to sustainable construction. Follow the trail across the exhibition to identify participating exhibitors and explore solutions that support your project and sustainability goals.

01. Explore

- Identify Big 5 Impact Trail exhibitors by looking for the eco-marker in the exhibitor list on the website and event app.
- Discover the products they're showcasing through the Big 5 Impact Trail Product Preview.

[VIEW PRODUCT PREVIEW](#)

02. Find

Once you've shortlisted exhibitors, find them on the show floor by looking for Big 5 Impact Trail totems positioned at participating stands. Alternatively, you can use the event app to locate exhibitors and navigate directly to their stand.

03. Connect

Meet exhibitors face-to-face to learn more about their products, discuss project requirements and discover solutions that can help support your sustainability goals.
